

INTERNSHIP EVALUATION

Essential for the validation of the internship

The validation by the school of a student's internship is based on three elements:

- The following evaluation filled in by the internship supervisor*
- The student's internship report*
- The student's internship oral presentation*

We are grateful for the time you will take to fill in this evaluation form.

Without your contribution the student's internship will not be validated.

Student :

Dates of placement :

Receiving Company Name :

Address :

Telephone number :

E-mail contact :

Content and aims of the internship:

Projects given:

Doing these projects would you say that the student was:

- Efficient YES NO

- Reliable YES NO
